This three volume interdisciplinary collection is of use not only in Middle East studies but also in various other disciplines including women's studies, political science, religion, cultural studies, sociology of gender, and anthropology. The collection offers the most influential writings in the field by both renowned scholars as well as those by the new generation of scholars of Islam and gender, and includes a wide variety of cases from Middle Eastern and Islamic societies. By including case-based articles, the collection highlights the clear links between concepts and theories and actual practices. Titles also available in this series include: *Shamanism* (March 2004, 3 volumes, 395); *Childhood* (2005, 4 volumes, c. 495); *Gender* (2005, 4 volumes, c. 495); and *Knowledge* (2005, 4 volumes, c. 495).

Women's issues continue to dominate the Islamic world in particular as there has been a very gradual change in the status of women in the Islamic world as a whole. This book covers various aspects relating to the status of women in the pre-Islamic period, customs and traditions, forms of marriage, divorce, and forms of divorce, dower, traditions regarding slave girls, and so on. It then goes on to deal with the status of

women in the post islamic period the qur anic concept of women s rights in marriage divorce inheritance custody of children polygamy maintenance property right to earn etc it quotes extensively from the qur an and sunnah it also deals with the arab adaat that is pre islamic customs and traditions regarding women altogether it attempts to arm muslim women with islamic arguments for their empowerment the author a renowned scholar has sought to set the record straight by reinterpreting women s rights in the true qur anic spirit he argues quite convincingly that the holy book gives equal rights to both the sexes and it does not discriminate between them as regards personal democratic and human rights the question whether in a secular society muslim personal law needs any change and if so in which direction the reform should be undertaken is dealt with in detail this third edition contains a chapter on a muslim woman leading the congregational prayer this chapter deals with the important aspect of muslim women s problems and also hopes to further enhance their understanding of the shari ah issues

this book distinguishes islam as a spiritual message from the sociopolitical context of its revelation while the sacred text of the quran reveals a clear empowerment of women and equality of believers such spirit is barely reflected in the interpretations trapped between western rhetoric that portrays them as submissive figures in desperate need of liberation and centuries old parochial interpretations that have almost become part of the sacred muslim women are pressured and profoundly misunderstood asma lamrabet laments this state of affairs and the inclination of both muslims and non muslims to readily embrace flawed human interpretations that devalue women rather than remaining faithful to the meaning of the sacred text full of insight this study carefully reads the qur an to arrive at its deeper spiritual teachings

the present book deals with the status of women in islam it has been divided into two parts the first deals with the status of women as per tenets of islam in the family structure and in the society and economy and the other with the status of muslim women in our country the problems specifically highlighted are the acquisition of knowledge by muslim women their participation in the process of consultation their rights and obligations in regard to social life of muslim community and their role in economic activities

a world renowned professor of islamic studies amina wadud has long been at the forefront of what she calls the gender jihad the struggle for justice for women within the global islamic community in 2005 she made international headlines when she helped to promote new traditions by leading the muslim friday prayer in new york city provoking a firestorm of media controversy and kindling charges of blasphemy among conservative muslims worldwide in this provocative book inside the gender jihad wadud brings a wealth of experience from the trenches of the jihad to make a passionate argument for gender inclusiveness in the muslim world knitting together scrupulous scholarship with lessons drawn from her own experiences as a woman she explores the array of issues facing muslim women today including social status education sexuality and leadership a major contribution to the debate on women and islam amina wadud s vision for changing the status of women within islam is both revolutionary and urgent

this book is about the life stories of the mothers of the believers and 16 other sahabyat who had been given the good news of the paradise in this world by prophet muhammad s there are good examples in the lifestyle of the mothers of the believers and women companions especially for the muslim women it is necessary

for all of us to study the seerah of these noble and fortunate women besides the mothers of the believers the compiler of the book has included the description of those sixteen women who had been given the good news of the paradise in this world by the prophet muhammad s although the original book is in the urdu language but the efforts of the translator had made it more beneficial for the readers

in this book an attempt is made to describe the possible role of muslim woman in a modern society in the light of the qur an and of the sunnah of the prophet muhammad in this respect special consideration will be given to the effect of natural factors on the respective spheres of operation of the sexes woman s position and status in society whether equal or unequal and whether the respective roles of the sexes have any influence in determining their status and role in society

this balanced exploration provides the basis for an energetic engagement with what it means to be a muslim woman in a globalized world the expert essays in women and islam are designed to stimulate discussion and help readers achieve a more sober understanding of the lives of muslim women around the world they explore the issues muslim women face as they fight for gender justice and meet the challenges of living in a globalized post 9 11 world whether in iran or france ethiopia or the united states each chapter examines a different part of the globe exploring issues arising from cultural and religious codes as well as from internal and global politics economics education and the law readers will glimpse the many and diverse ways in which muslim women are actively involved in addressing the conditions embedded in their discrete environments and taking up the opportunities afforded to them adopting strategies ranging from the political to the legal from the theatrical to the religious

a classic pioneering account of the lives of women in islamic history republished for a new generation this pioneering study of the social and political lives of muslim women has shaped a whole generation of scholarship in it leila ahmed explores the historical roots of contemporary debates ambitiously surveying islamic discourse on women from arabia during the period in which islam was founded to iraq during the classical age to egypt during the modern era the book is now reissued as a veritas paperback with a new foreword by kecia ali situating the text in its scholarly context and explaining its enduring influence ahmed s book is a serious and independent minded analysis of its subject the best informed most sympathetic and reliable one that exists today edward w said destined to become a classic it gives muslim women back our rightful place at the center of our histories rana kabbani the guardian

this volume is about the ways of promoting women s participation in the affairs of muslim societies from raising consciousness and changing codes of law to penetrating the economic markets and influencing national and international policies

muslim women living in america continue to be marginalized and misunderstood since the 9 11 terrorist attacks yet their contributions are changing the face of islam as it is seen both within muslim communities in the west and by non muslims

it brings light to all issues concerning women in relation to islam and makes clarifications on the misunderstanding on gender justice in islam being a reputed islamic theologian his statements ascend logical exclusiveness with the discovery of true islamic commands to the second sex a benchmark for the disciplines of islamic and women studies

publisher fact sheet asma barlas develops a new view of reading the qur an which goes straight to the heart of islamic teachings on women gender and patriarchy and which demonstrates the radically egalitarian and antipatriarchal nature of its teachings

a new perspective is a dialogue between an islamic scholar and a muslim woman the book discusses and expounds various issues regarding the rights and laws that pertain to women in islam and unwraps some of the distorted images and misconceptions that surround muslim women this book is one of the many islamic publications distributed by ahlulbayt organization throughout the world in different languages with the aim of conveying the message of islam to the people of the world ahlulbayt organization shia es is a registered organization that operates and is sustained through collaborative efforts of volunteers in many countries around the world and it welcomes your involvement and support its objectives are numerous yet its main goal is to spread the truth about the islamic faith in general and the shia school of thought in particular due to the latter being misrepresented misunderstood and its tenets often assaulted by many ignorant folks muslims and non muslims organization s purpose is to facilitate the dissemination of knowledge through a global medium the internet to locations where such resources are not commonly or easily accessible or are resented resisted and fought in addition for a complete list of our published books please refer to our website shia es or send us an email to info shia es

for several decades the muslim world has experienced a religious resurgence the reassertion of islam in personal and political life has taken many forms from greater attention to religious practice to the emergence of islamic organizations movements and institutions one of the most controversial and emotionally charged aspects of this revival has been its effect on women in muslim societies the essays collected in this book place this issue in its historical context and offer case studies of muslim societies from north africa to southeast asia these fascinating studies shed light on the impact of the islamic resurgence on gender issues in iran egypt jordan pakistan oman bahrain the philippines and kuwait taken together the essays reveal the wide variety that exists among muslim societies and believers and the complexity of the issues under consideration they show that new things are happening for women across the islamic world and are in many cases being initiated by women themselves the volume as a whole militates against the stereotype of muslim women as repressed passive and without initiative while acknowledging the very real obstacles to women s initiatives in most of these societies

admittedly women s perspectives are not much reflected in the discourse and agenda development planning and interventions due to lack of research there is tremendous scarcity of information about social condition of women among various indian communities this book is solely devoted to examine the social situation of muslim women of india in general and the state of west bengal in particular the situation of muslim women of west bengal specially of northern region of this state has been described in details the present study seeks to explore role and status of muslim women as well as their problems and prospects quality of socio economic life of the muslim women and the extent of changes that have occurred among them and problems the muslim women face towards their empowerment under contemporary changing world order the book also highlights some of the policy implications of major findings of the study with its original data and fresh theoretical perspective the book will serve the interest of social scientists policy makers and women activists

contributed articles

how realistic is the prospect of peace in the muslim world this question is the predominant focus for global analysis today but its debate frequently ignores the cultural and social complexity of the muslim world reducing it into a system of states and select actors this book addresses such a failing by exploring how the everyday interactions of women in accordance with islamic personal ethics can offer the world a new interpretation of peace in particular it focuses on the women in islamic societies from aceh to bosnia morocco to bangladesh initiating a dialogue on the role of these women in peacemaking this concentration upon the complex issues of the everyday both enables a detailed exploration of how people conceptualise peace and opens up new frameworks for conflict resolution the discussions that emerge lead to a critical questioning of assumptions about peace as a state policy and cessation of violence drawing upon original research from different parts of the middle east north africa and asia including iran india afghanistan bangladesh bosnia egypt and sudan the contributors offer a refreshing new look at muslim women as peacemakers challenging any assumptions of islam as an inherently violent religion such a timely work provides new and important analyses on the role of muslim women in forging new pathways of peace in the contemporary world

family law and politics volume ii of the encyclopedia of women islamic cultures brings together over 360 entries on women family law politics and islamic cultures around the world
